

This fee includes the event day and up to two rehearsals, not to exceed three hours each. The full “**Base Rental Fee**” shall be paid for each event or any event if exceeds the three hours rehearsal time included in fee. Example, if having same event for three consecutive days with event lasting three (3) hours and NO rehearsals, no additional cost would be incurred. However, if same event is offered for three (3) days with event over 3 hours, rental fee of \$1,500.00 would be due and would include up to six (6) rehearsals.

The Rental Fee shall be paid in full two weeks prior to the scheduled event. The use of all sound and lighting equipment is included in this rental fee, but it does **NOT** include sound and lighting technicians as these are to be paid separately.

- **Extra rehearsals and Decorating Time Fee: \$50.00 each (Minimum)**

Extra rehearsals and decorating time are defined as any rehearsals or decorating time the Auditorium is used that is NOT included in the “**Base Rental Rate**” and are to be paid at the time the Rental Fee is paid. **NOTE: Up to 48 hours will be given to USER to remove their decorations, etc. IF there is NOT a next day / night event pending.** It is the responsibility of the **USER** to inquire if this additional time is available.

- **Janitorial Fees – (Included in the Base Rental Rate):**

This ensures that the facility will be cleaned prior to the first-use entry and after the main event. However, any additional cleaning between the rehearsals and the main event will be the responsibility of the **USER**. **USER** must remove all trash from the building and place all seats in upright position before leaving.

- **SOUND AND LIGHTING PERSONNEL REQUIREMENTS AND COST – Contact Stuart Bland at (912) 237-3760 for list of approved technicians.**

The Glennville City Auditorium contains a sizable investment in sound equipment, stage lighting equipment, fly lines, and spotlights which make it impossible to allow any outside personnel to operate them without a technician trained on all equipment and approved by the City of Glennville or its appointed sound and lighting representative.

**USER** of the Auditorium will be required to hire the locally trained technician(s) to operate the equipment. These expenses are to be paid by the **USER IN ADDITION** to the rental fee and refundable deposit and rental charge and **MUST** be negotiated with the sound and lighting personnel **PRIOR TO THE EVENT**. If the technician and his approved list are not available, **USER** cannot have event or must do so without use of the sound and lighting.

**USER** will be required to pay a \$75 base rate (for one 3-hour event) **PRIOR** to the event. Minimum hourly rate is \$25.00 per hour. These fees and all fees for technicians are paid at the negotiated rate and paid directly to the locally trained sound and/or lighting personnel technician(s). All other lighting and/or sound personnel fees will be paid after the last rehearsal or before the scheduled day of event. Failure to make the arrangements or non-payment to the technician will result in forfeiture of the **USER’s** right to the auditorium and possible deposit.

- **MULTIPOINT CYCLORAMA PROJECTION SYSTEM**

This is an **ADDITIONAL** \$100.00 and requires your personal computer. Only a city auditorium sound / lighting technician will be allowed to run this system. (See sound / lighting information in contract.)

**The screen is not to be touched.** When not in use the back curtain of the stage will need to remain closed for protection. **PLEASE CONTACT:** Jennifer Bland, Auditorium Chairman: 912-237-1511 for more information.

**PART II: GENERAL INFORMATION WHEN RENTING THE AUDITORIUM:**

1. Upon entering the building from Bolton St. entrance door, go directly to the alarm panel (Location “E”) and turn off alarm. Panel should say “all systems off” if completed properly.
2. Wall light switches for main foyer lights and front porch are located near the main entrance doors on the right side. Porch lights should be turned off when you leave.
3. A flashlight is helpful when entering the main auditorium area (Location “K”). Go to right side of stage to turn on auditorium ceiling lights (Location “F”). Dimmer switches are also located on this control panel. **NOTE:** If this isn’t working, City Staff will give you access to control room.
4. Only authorized sound / lighting technicians are allowed in sound room (Location “H”).
5. Set heating / cooling thermostats at appropriate temperatures (Location “D”).
6. When using aisle floor lighting, circuit breaker #7 (Electrical Panel, Location “B”) should be in “on” position. There is a separate switch located on the wall of the left side side/rear entrance. This switch is labeled as “Switch for Aisle Lighting” and should be turned on if not on already. If this item doesn’t work, contact Stuart Bland.
7. When using ceiling disco ball, turn on circuit breaker #11 (Electrical Panel, Location “A”). If this item doesn’t work, contact Stuart Bland.
8. During use of the downstairs dressing room area, do **NOT** turn off the humidifier (HVAC) located in the far dressing room. Temperature can be controlled by the remote hanging on the wall but should **NEVER** be turned off. Additional window HVAC unit is located downstairs as well. Please be sure this is turned off when leaving. Exhaust fans are located in the restroom areas and are controlled by Circuit Breaker #19 (Electrical Panel “B”). This breaker controls the sump pump located outside the dressing room level exit door (Location “W”) and should be “ON” during heavy rains to prevent water from coming into the downstairs area. Be sure exhaust fans are turned off when leaving.
